Learning MERN Stack Developer | Web Design

mdy017192@gmail.com | GitHub | LinkedIn | Khulna

SUMMARY

I am a passionate MERN stack developer, currently mastering full-stack web development through interactive courses from Ostad. With a strong foundation in both frontend and backend technologies, I aim to build responsive and user-centric applications that solve real-world problems. Constantly learning and improving, I enjoy turning creative ideas into functional, aesthetic web solutions.

EXPERIENCE

Web Design & Development (Ongoing)

Learning and practicing full-stack web development with the MERN stack (MongoDB, Express.js, React, Node.js), creating dynamic and user-friendly applications.

Freelance Developer

Building and customizing websites for clients using modern tools and frameworks like React and Tailwind CSS.

EDUCATION

SSC - Deara High School

END 2021

Diploma in Computer Science (Ongoing)

City Polytechnic Institute

Specializing in web development, focusing on modern tools and frameworks.
